

Einrichtungen, die direkt oder indirekt mit dem Department of Defence kooperieren.
(usaspending.gov und eigene Angaben).

Einrichtung	Projekt	Volumen	Partner
Fraunhofer Institut für Kurzzeiddynamik	Mesoscale Mechanics of Reactive Materials for Enhanced Target Effects	\$112,548 23.02.2011	Department of the Navy
	Analysis of the Fragmentation of Aion and Bi-Model Grain Sized Spinel	\$44,000 28.09.2010	Department of the Army
	Complementary Edge-on Impact Tests and Damage Evolution Analysis.	\$95,000 26.08.2009	Department of the Army
Leibniz-Institut für Festkörper- und Werkstoffforschung	Rolled-Up Optical and Electronic Components on-Chip Integrative Applications	\$94.000 2009/2010	Air Force Office of Scientific Research
		\$98.000 2009/2010	
		\$98.000 2010/2011	
		\$98.000 2011/2012	
		\$40.000 2012/2013	
Max-Planck-Gesellschaft	Materialforschung Nanosensoren	\$283.000 28.08.2013	Defense Advanced Research Projects Agency
	Advanced X-Ray Integrated Sources	\$100.000 seit 17.04.2012	Defense Advanced Research Projects Agency
	Offices of Lawyers	\$18,975 23.09.2009	Department of Defence
Alfred-Wegener-Institut	Exploring the Thermal Limits of Ir-Based Automatic Whale Detection.	\$267,427 20.08.2013	Office of Naval Research
	National Correspondents Workshop on Gtn-P Implementation and Data Policy	\$15,000 11.03.2013	Department of Defence
